

國立臺灣海洋大學 100 學年度轉學生入學招生考試試題

考試科目： 英文

系所名稱： 日商船三、日輪機能應三、日輪機動力三、日

機械三、日系工三、進航管資管三

1.答案以橫式由左至右書寫。2.請依題號順序作答。

第一部份：綜合測驗（共 30 分）

說明：此部分共有 10 題，每題 3 分。1-10 題，請由每題 4 個選項中選出「一個」最適當者，並將答案寫在「答案卷」上。答錯不倒扣。

Since the invention of the Internet, many people have predicted a paperless society. This prediction has come to __ (1) __ as people use the Internet to read newspapers, send and receive e-mails, and get information. However, there are others who __ (2) __ that computer technology will ever lead to a paperless society.

People who see the coming of a paperless society believe that the Internet and e-mail will __ (3) __ replace people's use of paper. Because the Internet allows people to read newspapers and __ (4) __ many databases online, they don't have to use paper to get needed information. That is, they don't have to actually buy a paper copy of the __ (5) __. With e-mails, people don't need to use paper to send and receive letters and messages. __ (6) __, the writing and editing process is done on a computer, and therefore people don't need to use paper.

However, there are others who believe that a paperless society will not come true __ (7) __ the usefulness of the Internet and e-mail. Many people still use paper because both the Internet and e-mail can be a vehicle for viruses to __ (8) __. Others rely __ (9) __ on paper for important documents because of privacy concerns; that is, they are concerned that their __ (10) __ messages might be read by someone else.

The connection between the mind and body is a frequent subject in modern scientific study. Now researchers have __ (11) __ that an ancient Chinese exercise, based on mind-body techniques, is proving beneficial to heart patients.

They __ (12) __, looking like ancient warriors, advancing slowly in the auditorium of a senior center in Wheaton, Maryland.

Their movements are based on the traditional Chinese exercise __ (13) __ Tai Chi: flowing and circular motions, balancing sometimes on one leg, always breathing deeply. The __ (14) __ of these 100 or so movements is to achieve a state of physical and mental relaxation.

The __ (15) __ of Tai Chi goes back at least 2,000 years. While it looks like gentle exercise, it was __ (16) __ in China as a martial art. Legend __ (17) __ it that a Chinese monk created the technique by watching a deadly dance between a snake and a crane.

“__ (18) __ forward, White Crane, spread the wings,” explains instructor Fred Nee. The poses may __ (19) __ romantic, but researchers have found that Tai Chi helps patients with chronic heart failure improve their __ (20) __ of life, enhance their mood and it gives them confidence to try other forms of physical activity.
